FEDERAL COMMUNICATIONS COMMISSIONS
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Dear Examiner,

This project is based on previously certified model FCC ID: VOB-P1761W with improving WLAN performance. This required a change in the WLAN transceiver firmware. There were no hardware modifications to the device.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Jackson", written over the printed name.

Charles Jackson
Compliance Engineering Manager
